

January 28, 2021

Dear Operators:

Permit invoices for Permit Year 2021-22 were mailed out last week. Due to the COVID-19 pandemic, we strongly encourage the modes of payment below to help expedite permit payments and to minimize foot traffic into the office:

- ◇ If paying via a credit or debit card, please pay online at <https://hsdmobile.cchealth.org/PaymentAuthorizationEx/Welcome.aspx>. You will need the Facility ID (FA#) or Account Record ID (AR#) to complete this transaction. This information will be on your permit invoice. Feel free to call the office if you are having trouble locating the FA# or AR# for your business.
- ◇ If paying via check, please mail payments to:

Finance Department—Environmental Health Permit Payment
50 Douglas Dr., Ste. 320C
Martinez, CA 94553.

Our office will be open to receive cash payments or to provide assistance if unable to access the online payment portal. Please note that the lobby will be closed for lunch and breaks.

We appreciate your patience and understanding as we navigate these very trying times.

Sincerely,

Contra Costa Environmental Health
