No. 21-CLN-001

TO: Contra Costa County EMS Providers

FROM: Dr. Senai Kidane, EMS Medical Director

DATE: January 8, 2021

SUBJECT: PES for Voluntary Behavioral Patients

COVID community prevalence remains high.

Please continue to **transport voluntary (non-5150) patients to the closest, local receiving facility emergency department from where their call originated**. While we remain committed to reviewing the necessity of this policy internally every 3 weeks, please consider this procedure active until formally rescinded.

Thank you for your attention and cooperation.
