

## MEMORANDUM

No. 21-MEMO-001

**To:** All EMS System Staff

**FROM:** Dr. Senai Kidane, Medical Director 

**DATE:** June 8, 2021

**SUBJECT: Proposed Changes for 2022 Field Treatment Guidelines**

The EMS Agency has released the Proposed Changes to Field Treatment Guidelines for 2022 packet for public comment. A summary document of affected field treatment guidelines has been posted [here](#) on our website on the Field Treatment Guideline page and also on the EMS app for your perusal and input. Please circulate this memo to field personnel as we welcome their input on these changes.

All comments should be submitted using the public comment form by **June 18, 2021**. Questions regarding this memorandum should be directed to [Brandon Rowley](#).
