Contra
Costa
CARES

A Health Access Program for You

Contra Costa CARES is a healthcare program for uninsured adults residing in Contra Costa County.

Eligible patients will have access to a range of primary and preventative healthcare services and will have access to one of four health center organizations to ensure their health remains in optimal condition.

ELIGIBILITY:

- 19 years of age or older
- Contra Costa County resident
- Not eligible for full-scope Medi-Cal or Covered California
- Household gross income up to 138% FPL annually
(Household of 1 = \$16,105;
Family of 4 = \$32,913)

COVERED SERVICES

Patients will have access to:

- Primary care services and medical office visits at the assigned community health center
- Health evaluations, diagnosis and treatment services
- Adult immunizations
- Basic laboratory services related to primary care
- Basic radiology (x-ray) services
- Health education and chronic disease management
- 24– Hour Nurse advice line

PROVIDER NETWORK

Eligible patients will choose from one of the following health centers as their medical home:

- La Clinica de La Raza
- LifeLong Medical Care
- Brighter Beginnings
- Axis Health

Each health center organization operates multiple sites. Please inquire with your medical home for a full list of sites you are eligible to receive healthcare services.
