Is there any way we can support them getting re-involved? <b>Response:</b> (Jennifer Bruggeman) We all miss them. We have reached out to the administrator of the program. It is time to revisit. We will reach out again.</li> <li>(Amelia Wood) As a service provider, the time of this meeting may be an issue. This meeting ends at 5:00 pm. We would then have to ensure the consumer gets back home. Perhaps if change to an earlier time may help. Maybe if someone can reach out to Crestwood someone can set up a computer so they could join the meeting through Zoom. Would love more consumer input. <b>Response:</b> (Jennifer Bruggeman) I will be happy to reach out to them. (Genoveva Zesati) We reached out to them in the past but at that point they did not want their residents to congregate in one area. We can reach out again. (Dr. Suzanne Tavano) We sent the mobile immunization Van to Crestwood and immunized the staff and all the residents. Maybe that may help. (Jaime Jenett) Just a note that the Council on Homelessness meets on the CPAW meeting dates from 1:00 pm to 3:00 pm.</li> <li>(Doug Dunn) Would like an update on the Value Stream Mapping Event and related things taking place. There is a problem because being in the AOT Program needs to be voluntary. <b>Response:</b> (Kristine Suchan) I am with Mental Health Systems and we would be more than happy to do a presentation at a CPAW meeting. I will provide my email in the chat. Happy to talk with you.</li> <li>(Jennifer Bruggeman) Thank you Kristine for offering to do that. The AOT Workgroups meets quarterly.
