

HOUSING INFORMATION FOR LANDLORDS & PROPERTY MANAGERS

Do you live in a home in Unincorporated Contra Costa County that has 2 or more units attached? Then you and your family have a *RIGHT* to live in an environment, safe from secondhand smoke.

Smoking or vaping any tobacco or cannabis is prohibited in any multi-unit housing complex with 2 or more attached units within unincorporated county. (Ordinance 2-18-07)

This means that no one is allowed to smoke:

*For more information about what part of the property is included in indoor and outdoor common areas visit: <https://cchealth.org/tobacco/>

Any violators of the law will be fined and cited with fines up to \$1,000.

Protect yourself, your family and your community.

If you smoke, by law you must be 25 feet outside of the property boundaries. Any violators will be cited.

Complaints and questions can be made to 888-877-4202, tobaccopreventionteam@cchealth.org or online at: cchealth.org/tobacco/contact.php
